

# Email Digest: 2025-06-01 to 2025-06-08

## Weekly Summary

This week, Ashish received a small collection of 6 emails. There were a few forwarded messages, mostly on the topic of work. A scam email attempting to impersonate FlutterFlow made its way in, and an Indie Gala newsletter arrived. Rodrigo @ Quira appears to be seeking feedback on AI products, sending the same email twice (though categorized differently).
